

CONNECTICUT SOCIETY FOR HEALTHCARE RISK MANAGEMENT
CSHRM FOUNDED 1983

DATE: February 12, 2010
TO: CSHRM Members

We look forward to you joining us!

There will be a meeting of the Connecticut Society for Healthcare Risk Management on:

Wednesday, March 17, 2010
8:30 AM- 1:00 PM
Crowne Plaza
100 Berlin Road, Rte. 372, Cromwell, CT

PROGRAM: *Suzanne Rich, RN, MA, CT Senior Project Manager, Med Sun/FDA.*
"Recognizing and Reporting Potential Harm Device Related Events"

Objectives

- 1. To describe how FDA's Medical Product Safety Network (MedSun) promotes patient safety with medical devices.*
- 2. To explain why encouraging hospital staff to recognize and report 'potential for harm' device events, in addition to serious injuries and deaths associated with the use of a medical device, is critically important for proactive patient safety....for your hospital...and for the nation!!*
- 3. To encourage risk managers, healthcare professionals, hospitals, FDA, and device manufacturers to work together toward improving patient safety with medical device use.*

REGISTRATION:

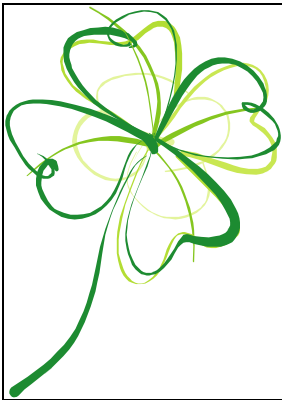

_____ I will attend the meeting only.

_____ I will attend the meeting and luncheon.

~A buffet lunch will be served. Please notify me as early as possible if you registered for lunch and are unable to attend as we are charged for the number of meals reserved~
